**MIDDLEWICH TRAILS BROCHURE**

**MIDDLEWICH HERITAGE SOCIETY**

The Society was established:

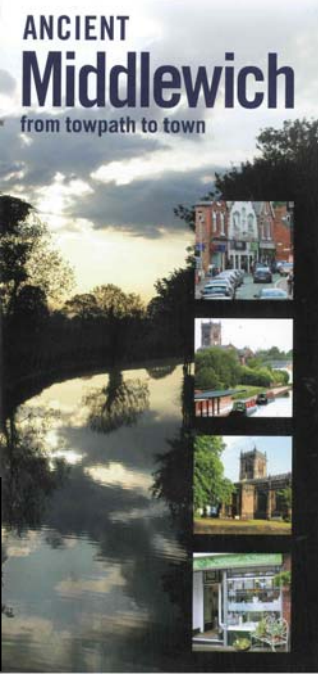

- to hold lectures, discussions, meetings and outings on local history, and to invite speakers as funds will allow.
- to encourage the preservation of all property, real or personal, of archaeological or historical interest, value or beauty in wherever possible of access to such properties by the public.
- to collect material relevant to the study of local history, including photographs, printed material and other works.
- to preserve and transcribe source material in any appropriate form on behalf of the Society any materials approved by the members.
- to promote individual and group projects, researching and recording local history.
- to inculcate interest in local history and present environment.

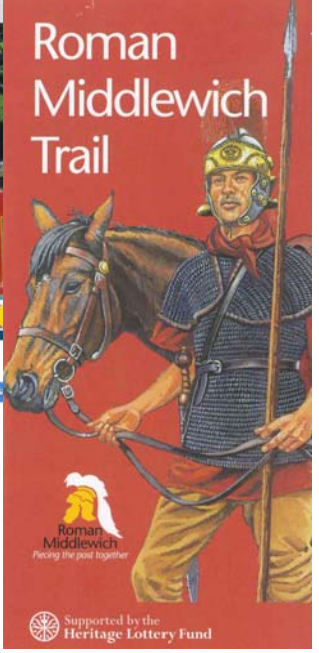

Take a journey through time...
