

# Middlewich Wartime Weekend 21-22-23 September 2012

## New attraction-

In 2012 UKSim Rides are touring the country with a flight simulator to raise money and awareness for the Help for Heroes charitable trust.

The experience of the unit will demonstrate what Help for Heroes does to help the men and women of our Armed forces who are injured while serving their country.

The experience will then take you on a flight in an RAF Euro fighter Typhoon, with FLT LT Keith Hartley, which demonstrates the swing roll combat aircraft in action.

A percentage of the profits from the unit will go to the charity to help with this cause.

At Middlewich, ride charges to the public will be £3per head with £1 donated to the Help for Heroes charity.

The unit is self contained c/w trained staff and will be here for the duration of the event.
