## Why donate to the Trust?

- Middlewich has a number of Grade II\*, Grade II, Scheduled Monuments and Conservation Areas. Three of these are on the 'at risk' register and we are working towards the restoration of these spaces.
- We are committed to improving our heritage sites, strengthening and connecting heritage areas and displays, thereby improving accessibility, local partnerships and tourism.
- We maintain everything we put in place, including our collections store.
- We frequently work with schools, groups, societies & businesses to promote and protect heritage.
